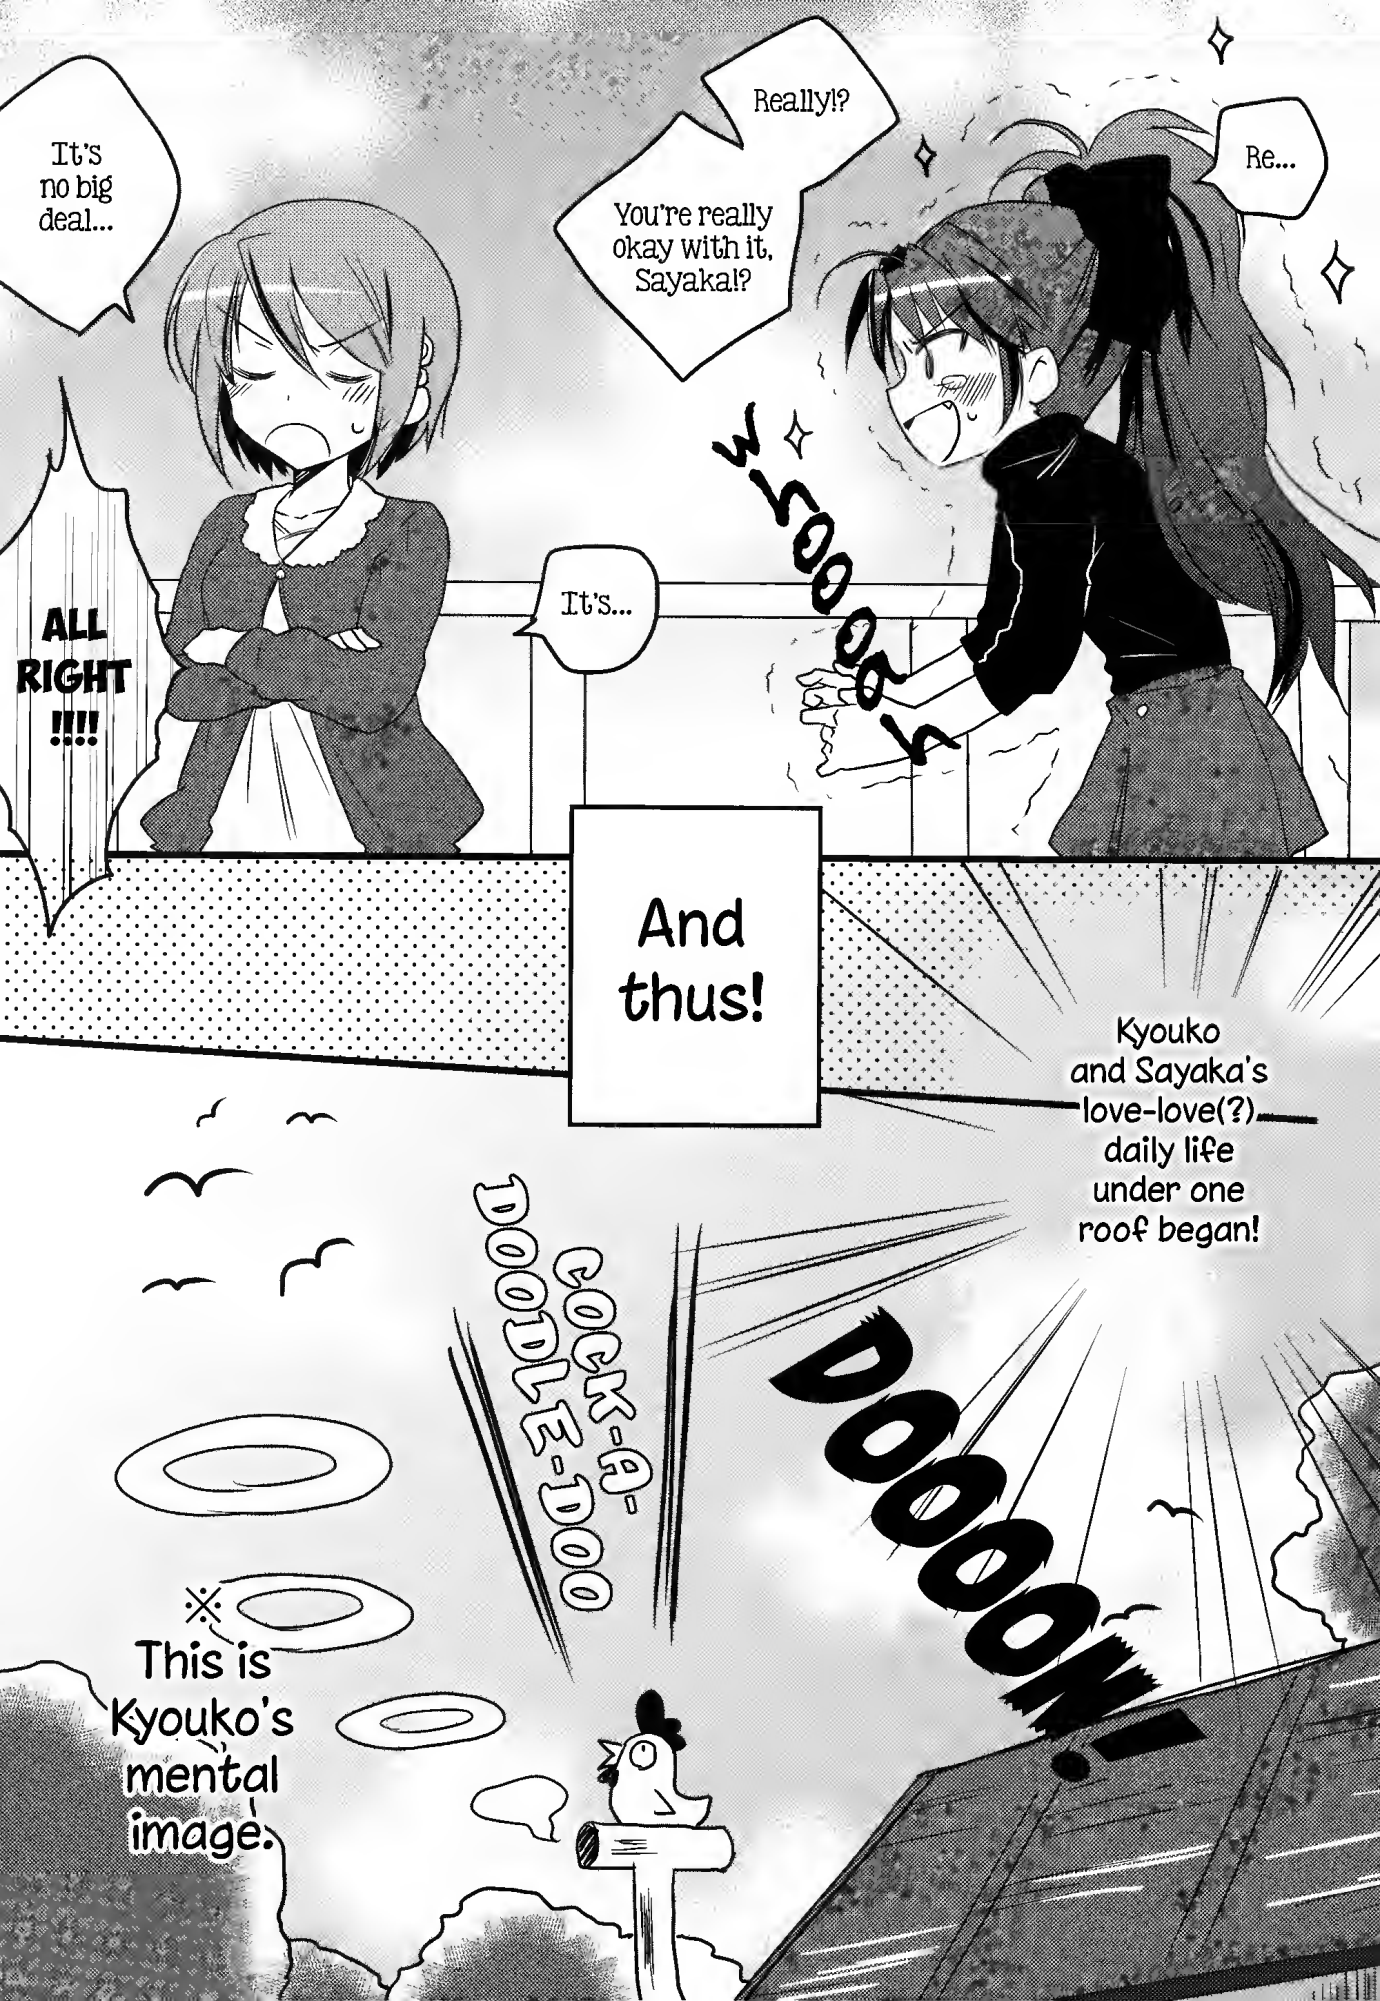
...One day. The hotel where Sakura Kyouko stays was going to temporarily close for remodeling. How terrible.

Kyouko was going to have to move, but there aren't many hotels that would give a room to a girl in middle school with no parents.

It seemed she would have no choice but to sleep outdoors! It was then...



It's no big deal...
Really!?
You're really okay with it, Sayaka!?
Re...
ALL RIGHT !!!!
It's...
SCOOOP
And thus!
Kyouko and Sayaka's love-love(?) daily life under one roof began!
DOOOOK!
COCK-A-DOODLE-DOO
※This is Kyouko's mental image.

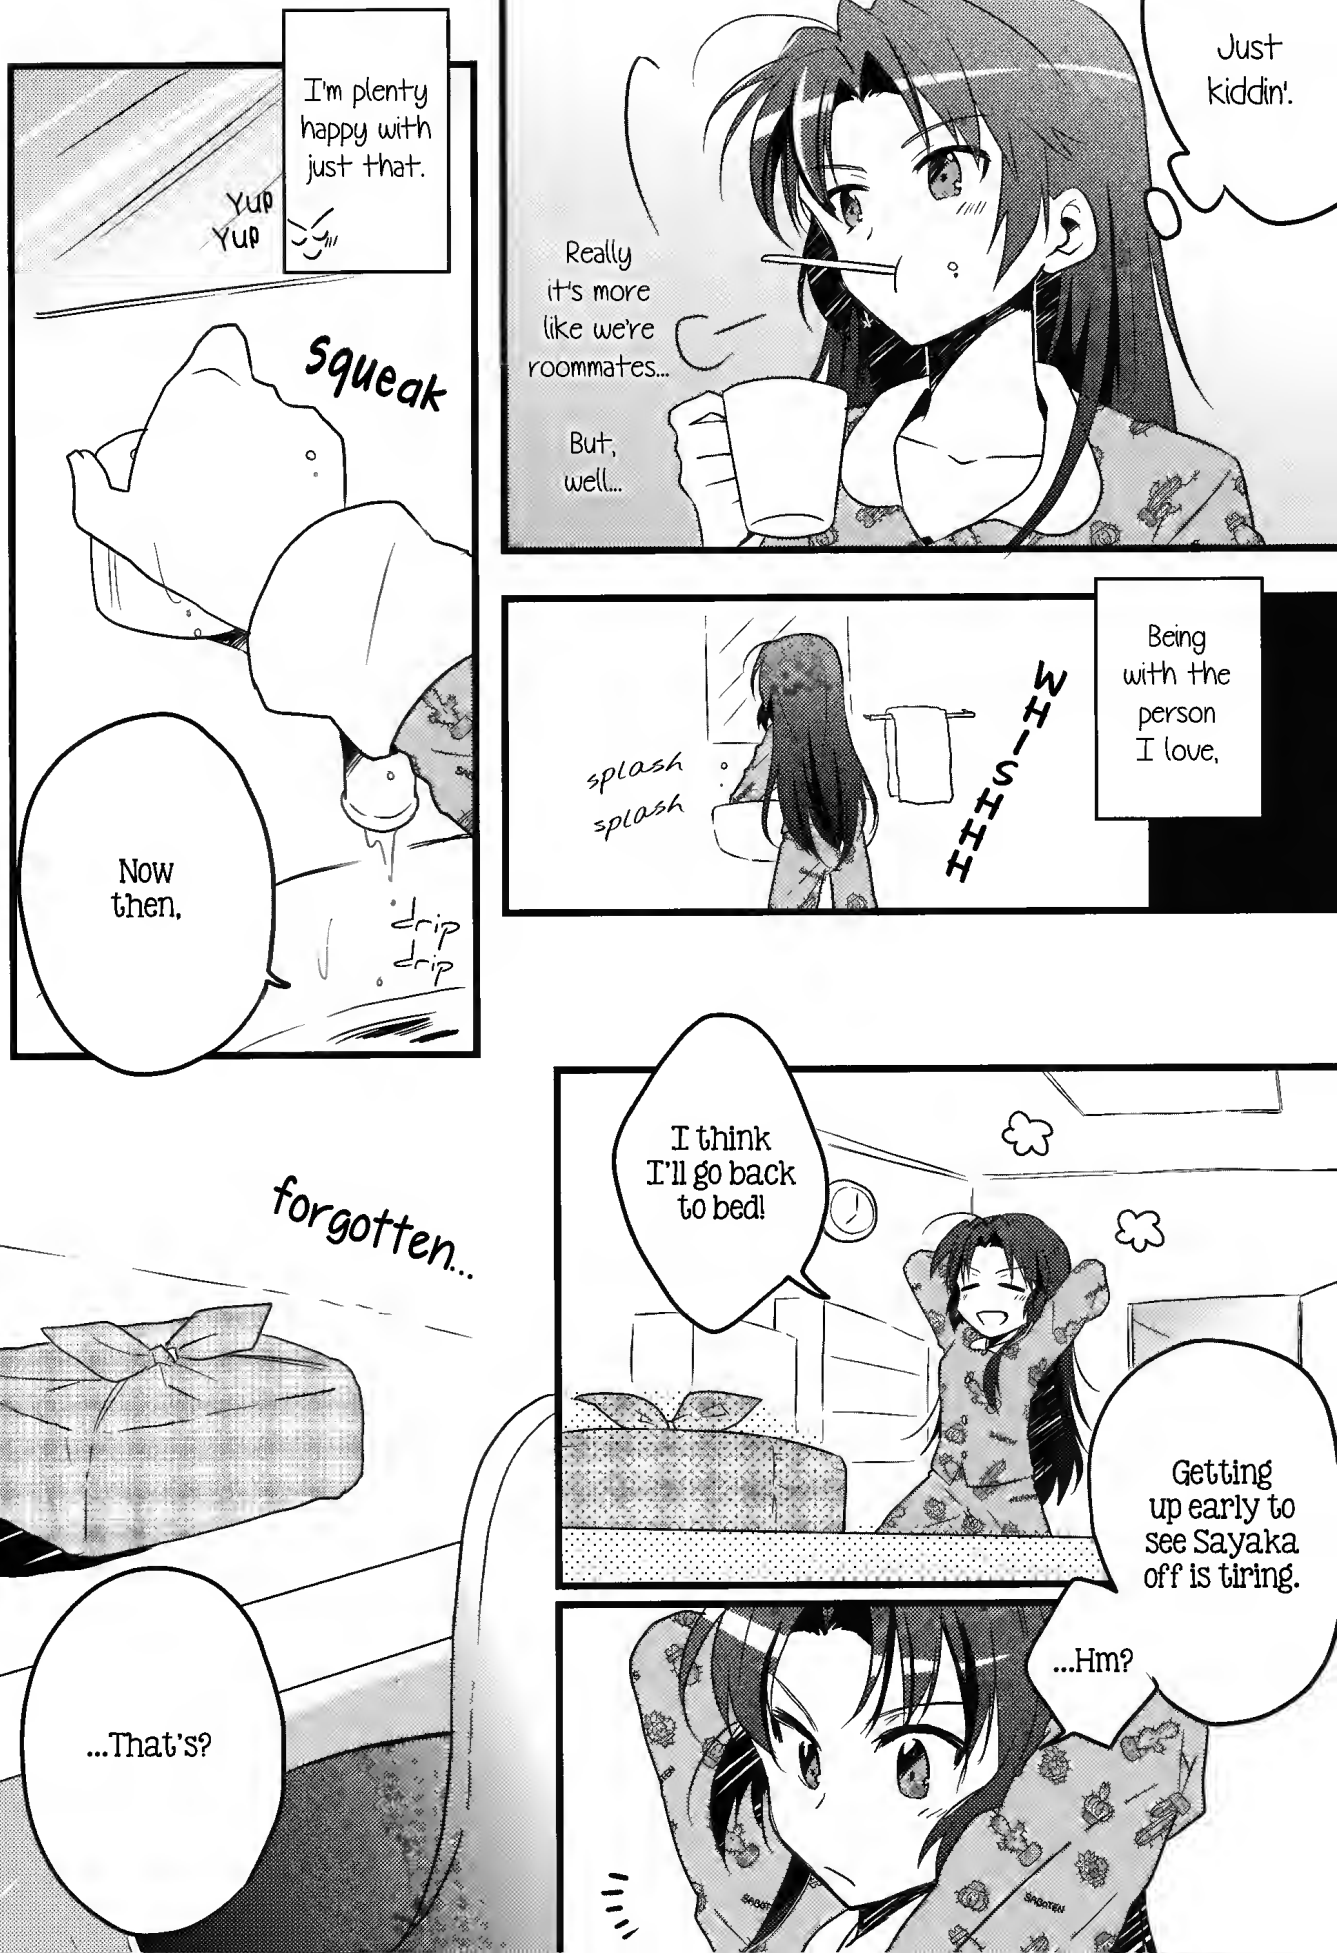
Warning.

In this book's
setting, Kyouko-chan
and Sayaka-chan
are totally and
completely dating.

Those who dislike
this should take notice.

With that said, enjoy.

Well, I'll see you later.
tmp
You be careful, too.
Yeah, yeah.
I know. I know.
CLICK
Be careful not to walk away from the stove if you're using it!
SLAM
Heh heh.
You know,
brush
brush
Lately our conversations really sound like we're a married couple, huh?
That's cohabitation for you!



Just kiddin'.
Really it's more like we're roommates...
But, well...
I'm plenty happy with just that.
Yup Yup
Squeak
Now then,
drip drip
splash splash
WH-SHH
Being with the person I love,
I think I'll go back to bed!
Getting up early to see Sayaka off is tiring.
...Hm?
forgotten...
...That's?

8:00
!?
THIS IS HER LUNCH!
I'll contact her by telepathy and...
...THEN, CLASS HAS ALREADY STARTED!!
GODDAMNIT!
Tsk...
THAT IDIOT, SHE LEFT IT BEHIND!?
Wooorrry
Argh... What am I supposed to do with this...
Having nothing to eat at mealtime is hell...
At this rate Sayaka will...
Kyouko's Mew
I'm so hungry~ Save me, Kyouko~
GRR
!!!!!
CLENCH
...Wait for me, Sayaka.
I'm going to bring it to you.

WHAT KIND OF MANGA IS THIS?

So I said, but...

A perfect plan...!
so I'll be able to slip in with the students and make my way to Sayaka!
That's it...!
If I'm dressed like that I won't seem out of place,
If I was wearing a uniform from her school,
And...
It means that...!
SORT OF LEGITI-MATELY ...!
I'LL BE ABLE TO WEAR SAYAKA'S (spare) UNIFOO-OORM!!
Hmmm~...
Ms.Concept
I don't want Sayaka to be hungry, so I don't have a choice.
I'M DEFINITELY NOT INTENDING TO SAY SOMETHING LIKE, I SPELL "SELF INTEREST" AS "L-E-W-D A-C-T-S"
I'm totally only thinking of Sayaka....
Oh, but don't get the wrong idea.

Meanwhile.
GEH.
Oh, well.
MPH
I guess I'll just have to buying some-thing...
Ah, that's too bad...
What's wrong, Miki-san?
Seri-ously...
My lunch... I must have left it at home...
4 hours later
RUSTLE
RUSTLE

I've boldly made my way here.
With this Sayaka will fall in love with me all over again.
Kyouko... You brought it all this way!?
Eeh?
You're soooo reliable~!
I really love you!
Yeah right, hehehe hehe!

stand
If I act completely natural,
I'll stand out if I seem all jumpy.
Woah.
I'd better hurry.
DIIIIIING
DOOOONG
I'll be fine.
As long as I'm wearing this uniform, I won't look like anything but a normal student.
Don't be nervous.
I'll quicky deliver Sayaka's lunch, then escape.
MURMUR

Sleep
.....
...HM?
Sayaka~
You're going to buy your lunch?
Sure.
Wait just a second!

Nothing wrong if you have fun talking with them.
...By the way, are you an idiot? Coming all this way just to deliver a lunch.
You didn't need go through the trouble.
I left my lunch at home, so I'll buy something.
I mean, if they found out an outsider came in to see me, I'd be in trouble.
Anyway, you're a bother, so go home.

I guess I was so happy, I couldn't stop myself...
Huh!?

I thought,
"She really does...
love me too."
...Wh...
What's with that?
You have that little confidence in me?
I'm kind of hurt.
Nah...
It's not a question of confidence in you, but
sometimes I lose confidence in myself that I'm loved.
You don't let me kiss you and stuff that much, and you ignore it when I say I love you.
TH-
Hah...
That's because...! It's embarrassing, so of course...
Haa.
FLUSTERED
Yeah.
I know, but still.
Even so,

Today I heard you say with your own words that you love me.
So I'm happy.
...Idiot.

At any rate,

More importantly, Sayaka called us a couple!
I hate myself for letting us turn into such a sappy couple...
WHAT ~~!?
BEING SAPPY IS A GOOD THING!!
Well, that is relatively true...
Haha...
Ugh
What did you say?
NOTHING!!
...Well, anyway, we should probably head back to your classroom.
Ah... You know, Kyouko,
Hm?
...Thank you, for the lunch.
Also for worrying about me and bringing it all the way here.
!!
BLUUUUUSH
!!!
No problem!
grin
YEAH!
END

Hello.
Pleased to meet
you to anyone new.
This is Sohya of Red Etude.

I watched the anime while
it was being broadcast, but
this is my first doujinshi, so
I'm kind of nervous publishing it.
Thank you for reading to the end.

I started writing this book
wanting to have KyouSaya
flirting (lol), but I had
planned on it becoming
a cuter story... but the writer
is the writer, so it didn't
happen that way (lol).

Next, I think I want to draw a
story set chronologically a little
before this book, about how
Kyouko-chan came to live with
Sayaka-chan. I'll do my best
to get it released soon.

Bye for now.
Sohya
